

C: Semi-order Stage Order Form (popular pre-designed combinations)

To order a Semi-order Stage, refer to our website or catalogue and enter the model number and the required number of items, etc., in the red boxes. (Customers who wish customized products should fill in the blue boxes also.)
Then, fax this order form to the number given below. We will then contact you with details of our estimate and purchasing procedures, etc.

Select either,
(1) Desired combination example
or
(2) Combination base example.

SO-

For orders of two pages or more, please number the pages in this box.
